### 3. Sponsorships Update

Georgia Brust has been working on the Banners with a good quantity at this time. Juliann reported there are checks coming in as sponsors. However, Juliann informed the group that they would like to switch vendors because they have not responded in a month. The committee decided to move forward with Rockingham Signs as they are able to have a very quick turn around time and can produce them for a cheaper cost.

#### 4. License Plates & other Income/Expenses

We have sold 48 license plates. It does make a difference not having it on the Police Dept sign. Juliann will talk with Town Hall about selling there, there may be financial logistics to work out with this process. Sales have started at the [275store.com](http://275store.com).

## 5. Grand Opening/Historical

Susan Mothon discussed the Grand Opening of the Old Town Meeting Hall following its renovations. She was very pleased with the attendance despite the weather conditions of the day. Cindi Woodbury was also happy about the grand opening, they were able to host the ribbon cutting ceremony at the event, which was well received by the public.

**7. Upcoming: Town Forest Hike**

Julian spoke to this event that may be postponed due to the predicted weather, but her and Georgia Brust were keeping an eye on the weather updates and will make an official call on Thursday. The rain date will be 5/31.

**8. Salembration Update**

Cindi Woodbury met with Police and Fire to go over the logistics of the days events on Salembration. They are well trained in large events and they all coordinated where/what/when for the day.

**9. Lafayette Update**

Susan Mothon spoke on the Lafayette Update. The Women's Club is going to be a big part of coordinating this. We discussed having a table at this event 2:00 – 3:15pm to inform the public of Salembration. We will also have Scavenger Hunt packets and commemorative items to order, along with our license plates.

**10. Scavenger Hunt**
