## May/June 2023

A Communication of News, Programs, Activities & Opportunities for the Town of Salem's Active Seasoned Citizens

### Congratulations to Maria Augeri, our new Program/Volunteer Coordinator!

We are so excited to announce the promotion of Maria to Program/Volunteer Coordinator. Maria has been with the Town of Salem since 2004. Beginning in her position as a teacher then Director of the Palmer Preschool, followed by Front Desk Clerk here at the senior center, Maria has slipped in seamlessly.

Her excitement for what she does shows in everything she touches. Even now Maria has created many new programs while serving as the interim Program/Volunteer Coordinator. She has already played a critical role in returning the center's programming to pre-covid levels. Her tremendous enthusiasm, knowledge and skills have driven the Ingram Senior Center forward. She plans on spending time visiting the existing programs and is eager to create more. She has so many ideas bubbling in her head that she cannot wait to implement.

Maria earned her bachelor's degree from Merrimack College. She has two grown children and after living in Salem for nearly 25 years has returned to her childhood home in Methuen. In her free time, she enjoys gardening, fishing and walking the various trails at Lake Massabesic.

Please join us in congratulating Maria on her well deserved promotion! We are so grateful to have her on the team.

**30-Minute Toning with Maria**, Join Maria Tuesdays starting May 16th after the Walkaerobics class, approx. 9:30am in the Multipurpose Room for A New Way to Move, a toning/balance session. Each week will be a different exercise routine. Free

Join Maria on Fridays at noon. Similar to the Monday class but preceded by a 30 minute Walkaerobics/cardio session. The toning portion of this class will be a different routine than Monday's class. You are welcome to attend either portion of this class or both. The first half will be cardio/walking, followed by a toning/balance session. Every week will be different.
