

**Southern New Hampshire Regional Water Project – NH Route 28 Water Main
Bi-Weekly Progress Report
October 15, 2019**

This report identifies work on the NH Route 28 Water Main Projects that Revoli Construction has completed in the last two weeks, and anticipates progressing during the next two weeks. Roads will remain open during the day, unless otherwise noted, and delays should be expected. There may be some nighttime work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during construction.

Last Two Weeks

- Drilling and blasting work began for rock removal.
- Water main alignment layout work began to prepare for installation.
