

Southern New Hampshire Regional Water Project – Route 28 Water Main  
**Bi-Weekly Progress Report**  
**December 19, 2019**

This report identifies work on the Route 28 Water Main Project that Revoli Construction has completed in the last two weeks and anticipates progressing during the next two weeks. Roads will remain open during the day, unless otherwise noted, and delays should be expected. There may be some night time work with alternating traffic around the work zone. Officers or flaggers will help you pass through the work zones. Thank you for your patience during the construction.

**Last Two Weeks**

- Drilling and blasting operations in Windham continued along the project route.
- Water main installation beginning just south of the Derry/Windham line continues moving south along Route 28. Water main has also been installed adjacent to the Rail Trail parking lot and will continue north on Route 28.

**Water Main Installation along Route 28**

**Hydrant Installation along Route 28**

**Utility Pole being Held to Install Pipe**

**More Water Main Installation**

**Next Two Weeks**

- Construction activities will be suspended between 12/23/19 and 1/5/20 for the winter holidays
