

## South Broadway Sewer, Water, and Bridge Improvements Bi-Weekly Progress Report January 16, 2019

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

### Last Two (2) Weeks

- Sewer trench excavation north of Rockingham Boulevard.
- Sewer installation and sewer service chimney installations within the work zones.
- Water main installations north of Rockingham Boulevard.

Sewer Trench Excavation

Sewer Manhole Installation

Sewer Service Installation

Sewer Chimney Structure Installation

### Next Two (2) Weeks

- The following is the sewer and water construction schedule north of Rockingham Boulevard for the next 2 weeks:
  - Water main installation north of Rockingham Boulevard will continue.
  - Gravel placement within work zones near Rockingham Boulevard.
  - Traffic pattern changes as jersey barriers are removed and relocated.
  - Dewatering equipment installation within the work zones.
