

**South Broadway Sewer, Water, and Bridge Improvements
Bi-Weekly Progress Report
March 5, 2020**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

Last Two (2) Weeks

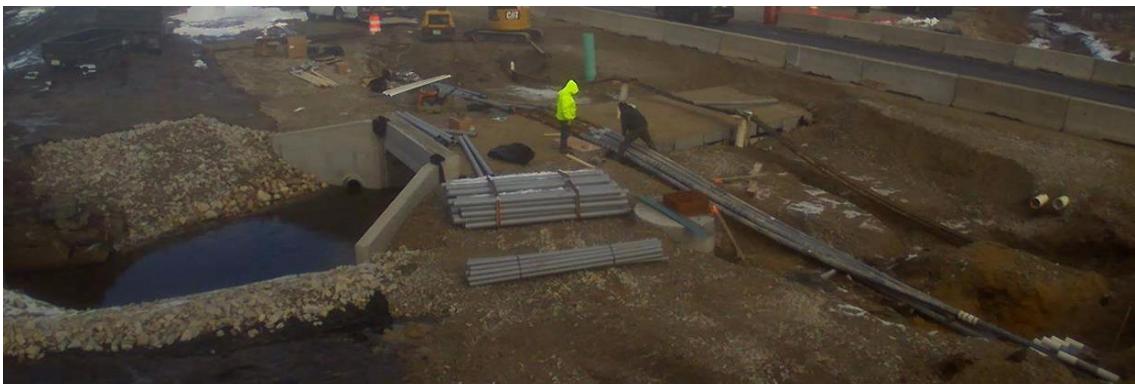

- Bridge was backfilled
- Grading around bridge was performed in preparation for paving
- Drainage modifications around the bridge were installed
- Work on telecommunication ducts at the Bridge continued

Temperature Control Tent for Curing

Drainage Structure Installation

Telecommunication Conduit Installation on Bridge

Next Two (2) Weeks

- Phase 2 Bridge construction to continue on South Broadway near Westchester Street.
 - Preparation for Paving (Mid March)
 - Grading around Bridge site to continue
- Sewer testing and water testing on South Broadway
