

**South Broadway Sewer, Water, and Bridge Improvements
Bi-Weekly Progress Report
March 26, 2020**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

Last Two (2) Weeks

- Preparation for paving around the bridge including backfilling and grading
- Surrounding site drainage improvements around the bridge.
- Sewer testing along South Broadway.

Sewer Testing along South Broadway

Paving preparation near the bridge

Sewer Testing along South Broadway

Next Two (2) Weeks

- Paving operations will begin at the bridge area near Westchester Street. Traffic changes are expected as the crews pave and additional lanes are opened back up.
