

**South Broadway Sewer, Water, and Bridge Improvements
Bi-Weekly Progress Report
May 3, 2019**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

Last Two (2) Weeks

- Paving on South Broadway North of Rockingham Boulevard to Belmont Street
- Traffic Pattern Modifications on South Broadway
- Sewer Pipe, Manhole, and Chimney installations on South Broadway
- Test pit investigations

Traffic Pattern Shift (South)

Traffic Pattern Shift (North)

Trench Preparation for new Sewer Installation

Existing Soils within Trench

Next Two (2) Weeks

- Paving Operations will continue between Rockingham Boulevard and Belmont Street.
 - During paving, travel lane widths may be narrower.
 - No detours are expected during paving.
- Sewer trench excavation, pipe and manhole installation and testing will continue north of Travelers Drive.
