

**South Broadway Sewer, Water, and Bridge Improvements  
Bi-Weekly Progress Report  
May 31, 2019**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

**Last Two (2) Weeks**

- Paving on South Broadway North of Belmont Street
- Traffic Pattern Modifications on South Broadway
- Sewer Pipe, Manhole, and Chimney installations on South Broadway approaching Main Street
- Water Main Installations on South Broadway
- Test pit investigations

Water Main Installation

Test Pit Investigation at Culvert

Sewer Pipe Installation

Sewer Installation at Main Street

**Next Two (2) Weeks**

- Nightwork will begin at the intersection of Main Street and South Broadway Monday Night (6/3/19)
  - Expect traffic modifications and detours during construction
  - Normal traffic patterns are expected to return during daytime operations.
- Sewer and Water main installations continue on South Broadway and through the Depot area.
