

## **South Broadway Sewer, Water, and Bridge Improvements Bi-Weekly Progress Report August 23, 2018**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

### **Last Two (2) Weeks**

- Sewer trench excavations along South Broadway
- New sewer main installation including, sewer manhole and sewer service chimney installation.
- Well point dewatering installation north of Cluff Road.
- Water main installations.

Sewer Manhole Installation

Sewer Manhole Installation

New Water Main Installation

Sewer Service Chimney Installation

### **Next Two (2) Weeks**

- Water main installation up to Cluff Road.
- Night time construction work will resume. Traffic patterns at the intersection of Cluff Road and South Broadway will be affected during night time operations.
- Installation of Sewer and Water Mains through the Cluff Road Intersection (Night Work).
- Regular traffic patterns within the Cluff Road Intersection to resume during the day.
