

**South Broadway Sewer, Water, and Bridge Improvements
Bi-Weekly Progress Report
October 3, 2018**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

Last Two (2) Weeks

- Sewer trench excavations along South Broadway
- Sewer main and sewer manhole installations and testing.
- New water main installation and testing.

Sewer Trench Bedding Installation

Sewer Main Installation

New Water Main Installation

New Water Main Installation

Next Two (2) Weeks

- Continue water main installation and testing North of Cluff Road.
- Continue sewer main and sewer manhole installation and testing approaching Rockingham Boulevard.
- Begin drainage system installation South of Cluff Road.
- Begin paving South of Cluff Road
