

## South Broadway Sewer, Water, and Bridge Improvements Bi-Weekly Progress Report October 19, 2018

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

### Last Two (2) Weeks

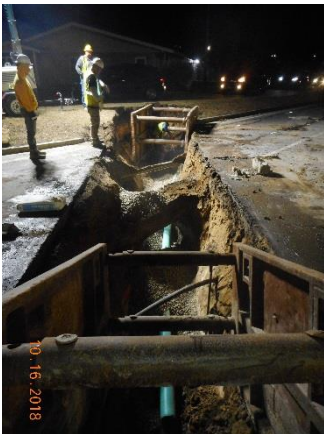

- Sewer main installations approaching Rockingham Boulevard.
- Water main installations between Cluff Road and Rockingham Boulevard.
- Storm drain structure installations and cleanouts.
- Gravel base placement in preparation for paving

Sewer Service Installation

Sewer Manhole Installation

New Sewer Installation

Gravel Placement and Pavement Preparation

### Next Two (2) Weeks

- Begin paving operations from Target to Rockingham Boulevard.
- **Traffic on Cluff Road crossing South Broadway will be closed for approximately 24 hours during paving operations. Expected closure date is 10/29/18. Traffic detours should be expected.**
- Continue water main installation and testing North of Cluff Road.
