

**South Broadway Sewer, Water, and Bridge Improvements
Bi-Weekly Progress Report
October 30, 2019**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

Last Two (2) Weeks

- Water and sewer service connections along South Broadway.
- Pavement Striping and median repair work on Main Street
- Sewer bypass installation at Westchester Street.
- Traffic Pattern modifications at the Bridge construction site.
- Bridge Construction preparation with stream bypass installations.

Median Repair Work on South Broadway

Sewer Bypass installation on Westchester St.

Pavement Striping on Main Street

Stream Bypass Preparation for Bridge Construction

Next Two (2) Weeks

- Bridge construction to continue on South Broadway near Westchester Street.
 - Excavation on the Northbound side of South Broadway will commence.
 - Precast bridge structure installation will begin.
 - Utility work will begin along the Bridge site.
- Stormwater drainage work will continue.
- Median Repair work will continue on South Broadway.
