

**South Broadway Sewer, Water, and Bridge Improvements  
Bi-Weekly Progress Report  
November 14, 2019**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

**Last Two (2) Weeks**

- Bridge Construction north of Westchester Street began.
- Existing box culvert and site was excavated.
- Old sewer and water mains were removed.
- Sewer Flows were temporarily bypassed to allow for bridge footing installation.

Sewer Preparation work for Bridge Footings

Beginning of Bridge footing installation

Sewer reinstalled within new footing

Heated tent setup for concrete and grout curing

**Next Two (2) Weeks**

- Bridge construction to continue on South Broadway near Westchester Street.
  - Concrete Precast structures will continue to be installed.
  - New gas utility will be installed.
- Miscellaneous cleanup operations will commence along South Broadway.
