

**South Broadway Sewer, Water, and Bridge Improvements  
Bi-Weekly Progress Report  
November 30, 2018**

This report identifies the work on the South Broadway Sewer, Water, and Bridge Improvements Project that DeFelice Corp. has completed in the last 2 weeks and anticipates to be working on during the next two (2) weeks. Roads will remain open during the day, expect delays. There may be some night time work with alternating traffic around the work zone. Officers will help you pass through the work zones. Thank you for your patience during the construction.

**Last Two (2) Weeks**

- New work zone setup at Rockingham Boulevard.
- Sewer trench excavation approaching Rockingham Boulevard
- Sewer installation and sewer service chimney installations.
- Subsurface probing

Sewer Trench Excavation

Sewer Trench Excavation

Sewer Trench

Sewer Service Chimney installation

**Next Two (2) Weeks**

- Sewer and water installations around Rockingham Boulevard.
- Nightwork for the water and sewer installations through Rockingham Boulevard Intersection.
- Traffic Patterns will be affected at night during night time operations.
