

2013 ROADWAY STABILIZATION PROJECT SALEM, NH

ADDENDUM No. 1

April 24, 2013

This Addendum forms part of the Bidding and Contract Documents and modifies the Drawings and Contract and Specifications for the 2013 Roadway Stabilization Project. The items set forth herein, whether of omission, addition, substitution or clarification, are all to be included in and shall form part of the proposed work and Bids submitted to the Town of Salem, New Hampshire. Inclusion of this Addendum shall be acknowledged by the Contractor in the Bid.

ADDEDNDUM No. 1

Bidders are advised to make the following revisions to the CONTRACT DOCUMENTS AND SPECIFICATIONS:

1. Provide clarification on how and when asphalt adjustment will be applied.

Item 1010.2 – Asphalt Cement Adjustment: The Special Provision specifically identifies that Asphalt Cement Adjustment shall be applied when the cost asphalt cement is greater than 110% or less than 90% of the base price at the time of the Bid. Method of calculation is also provided in the Special Provision.

The “Sample” NHDOT Special Attention is intended solely to provide general item description. The Bidder shall disregard and delete the Method of Calculation and when the calculation applies as stated on the “Sample”.

****END OF ADDENDA NO. 1****
