**RFP 2019-013 Tree Removal Services  
Town of Salem  
Purchasing Office  
33 Geremonty Drive  
Salem NH 03079**

All proposals/bids must be received by **February 28, 2019 @ 11:00am**

### **INTRODUCTION**

The Town of Salem intends to contract a qualified company for tree removal services. During the course of normal maintenance, the town tree work occasionally requires services deemed urgent and/or beyond the capabilities of “in-house” resources. The Town is soliciting proposals for those such on-call services from experienced, licensed, and competent contractors. **The subject contract will run from the date of execution through December 31, 2021 (Approximately 3 years) with a Town option to extend an additional year at bid pricing (Year 3).**

Construction supervision shall be under the general guidance of the Town of Salem Municipal Services Department, Public Works Division, but may include Engineering and Utilities. This is a support services contract that will work with and for Municipal Services as needed.

Work shall be separated into three (3) separate Parts. Part A. Emergency Work requires immediate response on behalf of the contractor due to a hazardous situation as identified by the Town of Salem. Part B As needed tree removal work will involve tree/brush/limbs/stumps removal on an as needed basis throughout town for the duration of the contract. Part C Emergency Operations work shall consisted of tree removal during or immediately following a natural disaster, such as a hurricane or severe ice or windstorm.

## **SCOPE OF WORK**

In general, Work shall be defined under three (3) separate parts; Emergency Work, as-needed Tree Removal and Emergency Operations. The Contractor shall supply all material, tools, equipment and labor to complete the Work. Work and emergency operations shall be conducted in a neat and orderly fashion such that no damage occurs to adjacent property, pavement, curbing, landscape, driveways, utilities, etc. Reference Contractor damage liability in General Contract Requirements. Work shall include cutting and chipping of all limbs, slash and twigs from specified trees. All trunks will be cut to grade. All material not claimed by an adjacent land owner shall become the property of the Contractor and shall be removed from the site to be properly disposed of. This will be a three (3) year contract with the Town option to extend to an additional year. The Town assumes annual pricing will be the same for those three years, however contractor may bid pricing for individual years. Award will be given based off of lowest three year combined total cost.

**Part A: Emergency Work:** Contractor will respond with necessary equipment to rectify emergency work posing imminent threat and danger to public safety within (2) two hours' time. Services provided will be covered 24 hours a day 365 days a year. Public Works will take necessary action to safe guard the area until the arrival of the contracted crew and provide the necessary assist of safety to the contractor with town staff or a police detail. If it is determined that a crane work is the only and safest option to complete the required work; it will be agreed to by the Public Works Director before doing so.

**Part B: As-Needed Tree Removal:** Conduct tree removal for the Town of Salem Municipal Services Department as needed for the duration of the Contract. At various times and at various locations in Salem the Contractor will be tasked with tree removal services. To the greatest degree possible, trees will be grouped together by street or neighborhood; however this level of coordination is not guaranteed. The contractor has 30 days to remove the trees/work provided in list format from date of receipt. Requests to exceed 30 days must be agreed to by the Director of Public Works and only after reviewing the extenuating circumstances to deem if appropriate. Tree removal will be paid per tree removed. Trimming and chipping for street tree maintenance should be considered bucket truck and chipper day crew. If it is determined that a crane work is the only and safest option to complete the required work; it will be agreed to by the Public Works Director before doing so.

This item shall also include stump removal at various times and locations in Salem through the duration of the contract. Stump removal Work shall be completed with grinding operations. The Contractor shall be responsible for removing all grinding debris. Stump grinding when/if needed as directed by the Director of Public Works. The Contractor shall be responsible for removing all grinding debris. Should stump removal require removal other than grinding, the Contractor shall be compensated labor and equipment rates which will be negotiated as-needed.

**Part C: Emergency Operations:** Conduct emergency tree removal operations within the Town right-of-ways and on Town lands during or immediately following a natural disaster such as a hurricane or severe ice storm or windstorm. The selected Contractor shall be ready to work within 24-hours of a call from the Salem Municipal Services Department. The Owner shall designate one or more temporary staging sites for the Contractor to use prior to disposal.

The Work shall involve cutting and removal of trees, logs and limbs downed or damaged. Material shall be hauled to the temporary staging area. Logs will be processed at the staging area in order to provide room for additional logs. The Contractor shall not be required to utilize any staging area if Work is not impeded. Timing is of the essence. Immediate response and clean-up will be required. Delays attributed to long trucking routes will not be acceptable. All material shall become the property of the Contractor and he shall be responsible for proper disposal. If it is determined that a crane work is the only and safest option to complete the required work; it will be agreed to by the Public Works Director before doing so.

The level of commitment by the Contractor shall be driven by the event. The Contractor must be able to commit up to the level of resources in manpower and equipment as stated on the Bid Form.

**PAYMENT:** Tree removal shall be paid at unit prices stated in the Bid Form. Unit prices shall be inclusive of all materials, labor, equipment, cleanup, disposal, transport and complete compliance with all specifications. Unit prices shall also be inclusive of all other costs including but not limited to mobilization, profit and overhead, insurance and bonding fees, fuel adjustments and other such costs that are not specifically identified in the Bid Form. Assignment of Work is contingent upon the availability of appropriated funds. The Owner reserves the right to negotiate future Lump Sum clearing agreements for large projects with the selected Contractor or secure services from another Contractor if an agreement cannot be reached.

An individual or entity (Form W-9 requestor) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requestor with a TIN, you might be subject to backup withholding. See **What is backup withholding?** on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued).
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See **What is FATCA reporting?** on page 2 for further information.
