**2021 ROADWAY IMPROVEMENT PROJECT  
SOUTH BROADWAY DRAINAGE AND ROADWAY IMPROVEMENTS  
SALEM, NH**

**Bid Opening Cancellation**

**March 1, 2021**

Perspective Bidders for the 2021 Roadway Improvement Project – South Broadway Drainage and Roadway Improvements are hereby advised of a Bid opening cancellation.

In an effort to maintain fair and competitive bidding practices, the project broken out from its original project package and rebid as a separate project due to ongoing coordination efforts and various complexities such as funding, sequencing with adjacent projects and modification of scope. At this time, final project details are still not clear. As such, it is neither fair nor appropriate to continue with the bid opening. Should the work be completed, it will be done under the original contract package.
