

**TOWN OF SALEM, NEW HAMPSHIRE**  
**By the Salem Town Council**

**Resolution #2024-56**

**Resolution Authorizing the Expenditure of Funds from the Town Facility Maintenance and Improvement Capital Reserve Fund for the Replacement of the HVAC System at Fire Station #2**

**WHEREAS**, Fire Station #2, located at 279 North Main Street, has served Salem for nearly 20 years, during which essential systems, including the HVAC, have become increasingly unreliable; and

**WHEREAS**, immediate replacement of the HVAC system, estimated at \$26,500.00 by the Town's preferred contractor, will avoid a projected 12% increase in costs due to upcoming EPA refrigerant regulations, making timely action both operationally and financially prudent; and

**WHEREAS**, the Town Facility Maintenance and Improvement Capital Reserve Fund currently holds a balance of \$200,000.00, sufficient to support this expenditure;

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Council of Salem, New Hampshire, hereby authorizes the expenditure of \$26,500.00 from the Town Facility Maintenance and Improvement Capital Reserve Fund for the replacement of the HVAC system at Fire Station #2, with the project to be completed prior to January 1, 2025.
