

**North Policy Street Reconstruction Project  
Bi-Weekly Progress Report  
May 14, 2015**

This report identifies the work on the North Policy Street Reconstruction project that American Excavating Corp. has completed in the last two (2) weeks and is anticipated to be working on during the next two (2) weeks.

**Last Two (2) Weeks**

- Drainage work along North Policy Street heading south from the Water Treatment Plant to beyond Queen Anne Lane.
- Conduct Tree Clearing at selected locations.

**Installation of drainage work heading south of the Water Treatment Facility**

**Continuation of drainage work on North Policy Street**

**Next Two (2) Weeks**

- Continue drainage work along North Policy Street heading south from the Water Treatment Plant to beyond Queen Anne Lane.
- Start water work along North Policy Street heading north toward the Salem/Windham Town Line.
- Start roadway full depth reconstruction heading along southerly portion of the project, from the driveway to the Water Treatment Plant to the southerly limit of work.
